AHMED RIYADH MOHAMMED AHMED

+967 782 878 158 | alahmedriyadh1993@gmail.com | Almansoura, Aden Yemen

Summary

With more than one year of experience in C++, Java, SQL, Laravel, and Flutter, I excel in developing real-world applications and have a solid grasp of the software development life cycle. My time management, problem-solving, and communication strengths enable effective teamwork and successful project outcomes.
I am quick to learn new technologies, adept at debugging and optimizing code, and thrive under pressure. My technical skills, work ethic, and collaborative approach would make me a valuable asset to your company. I look forward to contributing and growing in the software engineering field.

Education

Multimedia University - MMU | Cyberjaya, Malaysia
Software Engineering | 08/2033

Experience

Go2 Global Sdn Bhd | Cyberjaya, Malaysia
Full Stack Developer | 05/2023 - Present

- Designing and developing client-side and server-side web applications
- Coding, troubleshooting, and optimizing software solutions
